### FACULTY SENATE RESOLUTION

FSR 2018-2019-001

I. Resolution Name:

Reaffirmation of Opposition to Weapons on Campus

II. Stated Resolution:

Be it resolved that the University of Central Oklahoma Faculty Senate wish to reaffirm our continued opposition to any modification of Oklahoma state law that would allow non-law enforcement personnel to carry weapons on college and university campuses. Faculty Senate believes any changes to current policy would not only reduce campus safety and endanger lives, but would also pose a significant detriment to the university's learning environment. Faculty Senate urges the Oklahoma Legislature to oppose the passage of any bill that would change the current law regarding open or concealed carry of firearms on higher education or technology center campuses.

III. Justification:

Oklahoma higher education does not oppose the Second Amendment or gun ownership. Under current law, campus presidents have the discretion to grant exceptions to the weapons ban when an exception is warranted. The current law is working. Over the past eleven legislative sessions attempts to allow guns on campus have been successfully defeated to date. Ensuring similar legislation does not become law will continue to be a priority for the University of Central Oklahoma.
